

Driving Directions to Bantam Roost

From South (Albuquerque)

- From the airport, get on **I-25 North**, and follow signs to Santa Fe.
- Before you get to Santa Fe, look for **US 599 North – Santa Fe Relief Route and exit here.**
- Drive North on US 599 to its end where you will stay in your left lane and merge on to **US 285/84 North to Espanola and Taos.**
- Once in Espanola the road number **changes into US 68. Do not make any turns. Do not follow signs to continue on 285.** Just **continue driving straight north through Espanola on US 68.**
- About 15 minutes north of Espanola the road will turn into a single lane and you'll be driving along the Rio Grande up toward Taos.
- Once you enter the Taos area, count your traffic lights and come to the **third traffic light** at the intersection of US 68 and **Paseo del Canon.** (Chevron Station on the right)
- Make a **LEFT** at this intersection on to **Paseo del Canon West.**
- Drive a short distance, past a stop sign to the **end of the road** as it intersects **Camino Del Medio.** Make a **RIGHT.**
- Drive less than a **quarter of a mile** and look for a **street sign** on your **left side -- CALLEJON RD.**
- Make a **LEFT** onto **Callejon Road.** Callejon road is a dirt road (sometimes bumpy – so take it slow) that takes a couple of dogleg turns and makes its way through our valley. There are no houses on the right side of the road until you cross the valley – maybe a quarter of a mile or less.
- **Casa Gallina's Bantam Roost** is the **third house or compound (and third driveway)** on the **right** side of the road. You'll see a two story casita with a roof deck as part of an adobe compound. Pull into the driveway and park just before the yellow adobe wall at **609 Callejon Road.** (Look for the sign on the road with a colorful rooster on it!)
- Pull into the parking place furthest to the back.
